

Installer Technician Apprentice - Position Description

All About Chimneys Inc. is a family owned and operated business providing quality stove and chimney products and services to our North Idaho Community. We are seeking to add an apprentice to our team. The ideal candidate will have knowledge of gas, wood, pellet stove installation/service, however we are willing to train. If you enjoy exploring this beautiful area of North Idaho and being a part of a great team, All About Chimneys is a great place to work! Apply today!

Responsibilities:

- Works with other individual(s) as part of a team to install/service electric, gas, wood, and pellet stoves/inserts in new construction and existing homes.
- Installs/services pipe from connection point to stove.
- Develops an in-depth understanding of all hearth products and the installation/service processes.
- Maintains superior communication with other employees and customers to ensure installations/services are completed timely and meet quality standards.
- Complete job specific paperwork when necessary
- Reads and understand documents related to safety rules, operating and maintenance instructions, and installation manuals.
- Communicates with customers, builders, vendors, and other team members in a professional and respectful manner.
- All other duties and tasks as assigned or as needed.

Requirements/Qualifications:

- Must be able to lift 50+ pounds.
- Physical abilities of bending, kneeling, sitting, standing, climbing, roof work, and use of power tools.
- Able to work individually or with other team members and effectively communicate with other staff.
- Valid driver's license and insurable driving record.
- OSHA 10 certification preferred.
- Hands-on mechanical experience a plus.
- Prior installation experience preferred but not required.

Education:

- High school or equivalent (preferred).

How to apply:

- Send your resume to saglestoveshop@gmail.com
- Or drop off your resume in-person at our store located at 468215 US-95 in Sagle, Idaho.
